

GCP2 NEWSLETTER

OCTOBER 2022. VOLUME 1

Welcome to our first edition of our seasonal GCP2 newsletter. Thank you for being on board in supporting us to tackle neglect in Doncaster. Our seasonal newsletters are a chance to celebrate how GCP2 has supported you in your role, learn more about GCP2 champions and highlight any upcoming events or sessions!

Since training begun in August 2022, we have trained 52 colleagues!

GCP2 Champions:

As training is rolled out, teams within different organisations in Doncaster will be accessing training and using GCP2. In order to provide ongoing support, we need champions from all areas of our multi-agency partnership to be the point of contact for any support. This may include supporting your colleagues to score a GCP2.

Benefits to becoming GCP2 champions include: ongoing support, personal email signature, playing a pivotal role in combatting neglect in Doncaster, support from other champions across the multi-agency partnership and professional development!

To become a GCP2 champion, you must have completed at least 2 good GCP2 assessments and have approval off your line manager. For more information, or to sign up, please email GCP2@doncaster.gov.uk.

Available Support:

We have a dedicated team on MS Teams for all trained to use GCP2. This is a place to ask your fellow GCP2 trained colleagues across our multi-agency partnership for advice, support and inspiration. If you would like to be added to our team, please email GCP2@doncaster.gov.uk.
